

Living in Fear: The Effects of Domestic Violence on Children

March 27th, 2025

10:00am-12:00pm

This webinar will be conducted via Zoom

THIS IS A FREE TRAINING

CEUs are not available for this session

Living in a home with domestic violence can significantly impact a child's physical and emotional well-being. In more than half of the families where a woman is abused, the children are also abused. This training will provide an overview of the cycle of violence, the warning signs that children might exhibit, and ways you can help.
